## About ABC Custom Tees

**ABC Custom Tees** is a dynamic and creative T-shirt printing company founded in 2010. We specialize in providing bespoke printing solutions for both individual and corporate clients. Our headquarters in Springfield boasts a state-of-the-art printing facility that employs both traditional screen printing techniques and modern digital direct-to-garment (DTG) printing technology.

## Our Vision

To be the leading provider of custom T-shirt printing services, recognized for our creativity, customer satisfaction, and exceptional product quality.

## Our Mission

To inspire and connect through creativity by offering customized T-shirt printing that captures the essence of our clients' visions and messages.

## Services Offered

- **Custom T-Shirt Printing:** Tailored designs using screen printing, DTG, and heat transfer methods.

- **Bulk Orders:** Special discounts for large orders for events, corporate wear, or merchandising.
- **Graphic Design Services:** In-house design team to help clients bring their T-shirt visions to life.
- **E-Commerce Integration:** Providing services to e-commerce businesses with on-demand printing and drop shipping.
- **Quick Turnaround:** Fast processing times for both large and small orders, with express options available.

### **Technology and Facilities**

Our facility is equipped with the latest in T-shirt printing technology, including high-end screen printing machines and advanced DTG printers. This combination allows us to offer a wide range of printing options to meet various customer needs, from vibrant colors and detailed graphics to large-scale production runs.

### **Sustainability Commitment**

At ABC Custom Tees, we are committed to sustainability. We use water-based inks and eco-friendly materials wherever possible and implement recycling programs within our production processes. Our aim is to minimize our environmental impact while still delivering high-quality products.

### **Key Clients**

We serve a diverse range of clients, from local bands and community organizations to large corporations seeking employee uniforms or promotional items. Our ability to handle custom orders and provide personalized service has made us a preferred partner in the apparel printing industry.

### **Testimonials**
